Have you completed at least one digital library project?

- Yes
- No

I now understand the goals and objectives of the Indiana Digital Library.

- Strongly agree
- Agree
- Disagree
- Strongly disagree

I now feel that I have the information I need to plan a digital library project for Indiana State Library LSTA funding.

- Strongly agree
- Agree
- Disagree
- Strongly disagree

Please list up to three ideas that you have been considering for a digital library project.

1.

2.

3.

During the workshop today, the amount of time given to the following topics was:

Too much	Just enough	Not enough	
_____	_____	_____	Digital libraries in general
_____	_____	_____	Reasons for building good digital collections
_____	_____	_____	The Indiana Digital Library
_____	_____	_____	New requirements for LSTA grants
_____	_____	_____	Defining a digital library project
_____	_____	_____	Planning a digital library project
_____	_____	_____	Writing the grant application
_____	_____	_____	Digitization/creation of digital images
_____	_____	_____	Metadata and metadata creation
_____	_____	_____	Storage of digital content and metadata
_____	_____	_____	Delivery of digital content and metadata
_____	_____	_____	Project evaluation

We are interested in planning additional workshops and other continuing education opportunities on digital library projects and system development.

Which of the following workshops on special topics MIGHT interest you? Please check all that apply then rank your top THREE choices.

- ___ Digital project planning
- ___ Grant proposal writing
- ___ Digitization of special formats, such as audio and video
- ___ Text encoding
- ___ Metadata standards and options
- ___ Options for the storage of digital content and metadata
- ___ Interface design and usability testing
- ___ Hands-on digitization training
- ___ Hands-on metadata creation training

COMMENTS: Please use this space to give us suggestions for helping you contribute to the Indiana Digital Library. Thank you for your input.
